

Dance 4 Eternity

Kid Cudi

Hey, it's so hard to trust anyone
Hmm, so this is awesome
You got me smiling, yeah you're a lot of fun
Hmmm, so this is awesome
I wanna dance with you for eternity
Sure like to see that body wet
Hmmm sure like to see that body wet
Let's make moments we couldn't possibly forget What a pleasure, so much pleasure
Explore the moment, savor the moment
Our bodies, puzzle piece
You're excited, I can feel you drippin'
Drippin', drippin'
Oooh I love to see that body wet
Oooh, don't be shy boo
Hard to trust anyone, anyone, anyone, anyone, anyone
Yeah, you're a lot of fun, a lot of fun, a lot of fun, a lot of fun
Dance for eternity, eternity, eternity, eternity, eternity, eternity
Hmmm, sure like to see that body wet, your body wet
You couldn't possibly forget, forget
Ooh, oooh, oooh, hmmm, hmmm, hmmm
Oooh, oooh, oooh, hmmm, hmmm Hey, it's so hard to trust anyone
Hmm, this is awesome
You got me smilin', you're a lot of fun
Hmmm, so this is awesome
I wanna dance with you for eternity
Sure like to see that body wet
Hmmm sure like to see that body wet
Let's make moments we couldn't possibly forget
What a pleasure, so much pleasure
Explore the moment, savor the moment
Our bodies, puzzle piece
You're excited, I can feel you drippin'
Drippin', drippin'
Oooh I love to see that body wet
Mmmm, don't be shy with it
Hard to trust anyone, anyone, anyone, anyone, anyone
Yeah, you're a lot of fun, a lot of fun, a lot of fun, lot of fun
Dance for eternity, eternity, eternity, eternity, eternity, eternity
Hmmm, sure like to see that body wet, your body wet
You couldn't possibly forget, forget
