Back Together Again

Roberta Flack

Seems we've weathered Hard times we've been through

In silence I've waited

I missed you (I missed you too)'Cause you, you and I back together again

Got the world in a spin

'Cause you, you and I back together again

Got the world in a spinIt's all come together

Problems we've defeated

And I'm in here heart in hand

You take all that I got and you need it, baby'Cause you, you and I-I-I back together

Got the world in a spin

You, you and I-I-I back together

Got the world in a spin

Love will last forever (Forever)

We can make it real (Got to be real)

Say you'll leave me never (No, no, never)

We can truly feel (What you feel)

I feel like you

Back together

Yeah, yeah, yeahYounger and wiser

Time has shown the way

We've come full circle

To stay (Baby)

'Cause you, you and I-I-I back together again

Got the world in a spin

'Cause you, you and I-I-I back together again

Got the world in a spin

Truth is the light

It's the joy that we both share

Make love day and night

It's so easy to do when you careLove will last forever (Forever)

We can make it real (Got to be real)

Say you'll leave me never (No, no, never)

We can truly feel (What you feel)

I feel like you
