My Way

Ava Max

My momma use to say
"Baby, make me proud"
You've got such a pretty face
But such a dirty mouthBut how come when I tell you
What's on my mind like men do
I'm called crazy?
CrazyThis is not a love song
This is not a sing along
But ladies are you with me?
I know that you're with meAdd a little sugar they say
Be a little sweeter they say
Gotta give and take but I say
This time it's my way, ah, my way
Be a little proper they say
Speak a little softer they sayGotta be a lady, but I say
This time it's my way, ah, my way
(My way, my way, my way)This time it's my way, ah, my way
(My way, my way, my way)
This time it's my way, ah, my wayI'll do me
You do you
I don't need nobody's permissionI won't back down
Win or lose
Oh yeah, one and only limited edition (yeah)
This is not a love song
This is not a sing along
But ladies are you with me?
I know that you're with meAdd a little sugar they say
Be a little sweeter they say
Gotta give and take but I sayThis time it's my way, ah, my way
Be a little proper they say
Speak a little softer they sayGotta be a lady, but I say
This time it's my way, ah, my way
(My way, my way, my way)
