

Angel Eyes

Love and Theft

She likes whiskey with her water
She starts dancing when the stars come out
She ain't your typical preacher's daughter
She'll leave you dreamin' yeah there ain't no doubt
There's a little bit of devil in her angel eyes
She's a little bit of heaven with a wild side
Got a rebel heart a country mile wide, there's a little bit of devil in her angel
eyes
A little bit of devil in her angel eyes
Saturday night she's rockin' out by the bonfire
Flirtin' from that tail gate and crankin' up the dial
Drivin' me crazy with that kiss me smile
There's a little bit of devil in those angel eyes
She's a little bit of heaven with a wild side
Got a rebel heart, a country mile wide, there's a little bit of devil in her angeleyes
There's a little bit of devil, in her angel eyes
I can't stop wonderin' what it would feel like
To hold her all night
She's got that something
That sexy innocence, she must be heaven sent
There's a little bit of devil in her angel eyes
She's a little bit of heaven with a wild side
Got a rebel heart a country mile wide
There's a little bit of devil in her angel eyes
There's a little bit of devil in those angel eyes
She's a little bit of heaven with a wild side
Got a rebel heart a country mile wide
There's a little bit of devil in her angel eyes
There's a little bit of devil in her
In those angel, in those angel eyes
