

She's Mine, Pt. 1

J. Cole

II never felt so alive
I never felt so alive
I never felt so alive
I never felt so alive
I never felt so alive
I never felt so alive Catch me, don't you
Catch me, don't you
Catch me, I've fallen in love for the first time
I wanna cry
And I ain't even try to fight it
Don't wanna die
Cause now you're here and I just wanna be
Right by your side
On any night that you be crying baby
I'll dry your eyes, I'll dry your eyes
Every time you go to sleep you look like you in heaven
Plus the head game is stronger than a few Excedrin
You shine just like the patent leather on my new 11's
You read me like a book
Like I'm the Bible, you the Reverend
Yea, I wanna tell the truth to you
I wanna talk about my days as a youth to you
Exposing you to all my demons
And the reasons I'm this way
I would like to paint a picture
But it'll take more than a day
It would take more than some years
To get all over all my fears
Preventing me from letting you see all of me perfectly clear
The same wall that's stopping me
From letting go and shedding tears
From the lack of having father, and the passing of my peers
While I'm too scared to expose myself
It turns out, you know me better than I know myself
Better than I know myself
Well how about that
She gets him, you get me
She hugs him, you kiss me
You tell me, you miss me
And I believe you, I believe you
And I believe you, I believe you
Catch me, don't move

Catch me, don't you
Catch me, I've fallen in love
For the first time
