Never Gonna Let You Go

Blackstreet

Never gonna let you go away, you belong to me And I'm never gonna let you go Never gonna let you go away We were meant to be in love, loveTake your time, mark just sing it for 'em, I regret the moment When I heard you say, you don't want no part of me no more But I'm sorry, that you changed your mind, you're staying in my life Forever more, forever more, 'cause I'll neverNever gonna let you go away, you belong to me And I'm never gonna let you go Never gonna let you go away We were meant to be in love, love Now I must admit, that I did you wrong, hiding all your tears When you cried for me to come back home and then you tell me Part-time loving just won't do, I can't say a word Oh, I must have been a fool but this time, this time, I'll neverNever gonna let you go away, you belong to me And I'm never gonna let you go Never gonna let you go away We were meant to be in love, loveNow girl, I know, we've had our share of ups and downs But we can make it, if we try And your friends are telling you that I'm not the one for you But I'll never, no, no never, let you goNever gonna let you go away, you belong to me And I'm never gonna let you go Never gonna let you go away We were meant to be in love, love Never gonna let you go away, you belong to me And I'm never gonna let you go Never gonna let you go away We were meant to be in love, love
