Must  
Must  
Must  
Must  
Must  
Must be the feeling  
It brings to you  
Must be the feeling  
It brings to you  
Must be the feeling  
It brings to you  
That makes you feel what to do  
Must be the feeling  
It brings to you  
Must be the feeling  
It brings to you  
Must be the feeling  
It brings to you  
Must be the feeling  
Every time, I hear this groove  
It makes me wanna move  
Move  
Must be the feeling  
It brings to you  
That makes you feel what to do  
Every time, I hear this groove  
It make me wanna move  
Move  
Must be the feeling  
It brings to you

That makes you feel what to do  
Down, down  
break it all down  
Move it all around  
Down down  
break it all down  
Move it all around  
Down down  
break it all down  
Move it all around  
Down down  
break it all down  
Move it all around  
Every time  
Every time, I hear this groove  
It makes me wanna move  
Move  
Must be the feeling  
It brings to you  
That makes you feel what to do  
Every time, I hear this groove  
It makes me wanna move  
Move  
Must be the feeling  
It brings to you  
That makes you feel what to do  
(...)  
That makes you feel what to do  
(...)  
That makes you feel what to do  
What to do
