

Go N' Get It

Ace Hood

I do it
Blood, sweat, tears
Ace Hood
I do it Another day, another dollar
Every 24 I'm thinking money in the power
Bills too, money runnin' low
Plus my cousin lost his mind and had an overdose
Way too many problems
Got me stressed up
What you're doing?
You've got seven days to move out Go n' get it, go n' get it, go n' get it
I'm out here chasing green
Go n' get it, go n' get it, go n' get it
Get it by any means
Money the root of evil, guess I'm the devil then
Bag full of dead faces like Afghanistan
Honey, pay your better, custom made Beretta
How about that pay for cheddah? How about that Beamer leather?
Tell 'em get a load of this bezzle
Bitch face, gonna rock some pebbles
Don't grind, and a nigga don't shine
Fuck y'all, gotta get mine
Big dog, big money, you're mine
Runnin' light to the sun uprise
Money, it never sleeps
Got bags up under my eyes
Just know I gotta get it
Mama very sickly
Plus I'm expecting twins
That's just what heaven sent me
God fearing nigga
'Cause I am in the flesh
Hope I don't let my people starve
God bless my soul to rest
Another day, another dollar
Every 24 I'm thinking money in the power
Bills too, money runnin' low
Plus my cousin lost his mind and had an overdose
Way too many problems
Got me stressed up
What you're doing?
You've got seven days to move out Go n' get it, go n' get it, go n' get it

I'm out here chasing green
Go n' get it, go n' get it, go n' get it
Need it by any means Okay, now ridin' 'round with that rocket
Niggas try to steal my flow, though
Thank you for the promo
We're the best deal be that logo Okay back up on to my dough shit
Slidin' on to 'em 2-6
Lights do, hard to know
Baby sees, thus ring Nigga just know that I'm out-shield
Thought my night was outfield
Won't shoot niggas' pussy
Yeah I'm talkin' pap smear
Don't doubt me as my day go
Tryna get my mom off payroll
Wanna put her in that Benzo
Get kinda hard when the funds' low
I'm sick and tired of her cryin'
Tired of nickel and dimes
Look at her in her eyes
But I know your son gonna rot
'Cause I'm a God-fearin' nigga
'Cause I am in the flesh
Not gonna let my people starve
God bless my soul to rest Another day, another dollar
Every 24 I'm thinking money in the power
Bills too, money runnin' low
Plus my cousin lost his mind and had an overdose Way too many problems
Got me stressed up
What you're doing?
You've got seven days to move out Go n' get it, go n' get it, go n' get it
I'm out here chasing green
Go n' get it, go n' get it, go n' get it
Need it by any means
