

Goodbye to You

Scandal

Those times I waited for you seemed so long ago
I wanted you far too much to never let you go
You never know I never got by "I feel it too"
Well I guess I could never stand to lose
It's such a pity to say Goodbye to you
Goodbye to you Could I ever love someone like the one I see in you
I remember the good times baby now
And the bad times too
These last few weeks of holding on,
The days are dull, the nights are long
So I guess it's better to say
Goodbye to you
Goodbye to you
Goodbye to you
Goodbye to you 'cause baby it's over now
No need to talk about it
It's not the same
My love for you is not the same
And my heart, and my heart,
And my heart can't stand the strain
And my love, and my love
And my love won't stand the pain
And my heart, and my heart,
And my heart can't stand the strain
And my love and my love
And my love...
Goodbye to you
Goodbye to you
Goodbye to you
Goodbye to you Could I ever love someone like the one I see in you
I remember the good times baby now
And the bad times too
These last few weeks of holding on,
The days are dull, the nights are long
So I guess it's better to say Goodbye to you
Goodbye to you
Goodbye to you
Goodbye to you, whoa ooh whoa ooh whoa Goodbye baby
So long darling
Goodbye to you
Goodbye to you, whoa ooh whoa ooh whoa Bye bye baby
So long darling

Goodbye to you
