

# Kind of Woman (Remastered)

Stevie Nicks

Temptation falls in your path  
No hesitation why you ask  
You have another waiting at home  
And yes she matters to you  
Kind of woman that'll haunt you  
Kind of woman that'll haunt you  
She matters to you  
Kind of woman that'll haunt you  
She matters to you You didn't mean to meet her you cry  
Oh but the sun goes down every night  
She came to you when you were alone  
And yes she matters to you  
Kind of woman that'll haunt you  
Kind of woman that'll haunt you  
She matters to you  
I promised myself... a long time ago  
It would be difficult to let you go  
If not atleast within  
The touch of my fingers-  
It was close to being  
In heaven-  
Kind of woman that'll haunt you  
To being in heaven  
Kind of woman that'll haunt you  
Is to be... in heaven  
Kind of woman that'll haunt you  
I know I know
