

Rush

Ferras

I kissed your sweet lips
I floated so high
Your eyes looked at mine
The world froze in time
What is this feeling?
I am on cloud nine
 Guess
I'm still reeling
From your body
 Next to mine
 It's a rush
I can't explain
Like you shot
Something crazy
 Into my veins
 And I'm ten feet
 Off the ground
 And I don't want
 To come down
Don't wantTo come downI know
 You're sleeping
 I wish you
 Were right here
'Cause my bed's so empty
 I'd hold you so close dear
 And I sang my song to you
Your smile was pricelessWhat else can I do?I'm a junkie over youIt's a rush
 I can't explain
 Like you shot something
 Crazy into my veinsAnd I'm ten feet
 Off the ground
 And I don't want
 To come downIs it me
 Or is everything spinning
 I'm wide awake
 But I must be dreaming
 It's like
 You're some kind of drug
 Try to catch my breath
 And see
 If I'm still breathingTouch my heart
 And make sure

It's beating
It's like
I'm falling in loveIt's a rush
I can't explain
Like you shot
Something crazy
Into my veins
And I'm ten feet
Off the ground
And I don't
No I don't
No
Don't want
To come down
Don't want
To come down
Gonna come down
