

# Chill Phillipé

Mozzy

Chill Phillipé, we know you ain't been on the drill, Phillipé  
It's real Phillipé, them shooters be shootin' to kill, Phillipé  
Aye, Philip never caught a body, I'm sure everybody could vouch  
We was at South By Southwest, police were walkin' you out  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
