

# Flowers Become Screens (Single Edit)

## Delerium

Soaks my skin through to the bone  
Pain is nothing that a downpour won't eraseRain you can't hold on to it  
A treasure what you cannot frame  
Rain somehow I'm drawn to it  
I feel engaged, with one the sameWhen heaven's dressing beads off my face  
Then pain is nothing that a downpour won't eraseRain, you can't hold on to it  
A treasure what you cannot frame  
Rain, somehow I'm drawn to it  
I feel engaged, one and the sameRain, rain  
Rain, somehow I'm drawn to it  
I feel engaged, one and the same  
Rain
