

A Grade Playa

Sheppard

A GRADE PLAYA. Now that you were gone and never coming back,
I feel as though my heart would never stay intact
I was just an apple that you chewed till you threw the core.
You've got a lot of charm and yea it sucked me in
You made me feel loved when I was wearing thin
You're the only reason why a rose ever grows a thorn.
Cause I was the treasure and you had the key,
But now it stays buried with me cause.
You're an A grade playa
A fighter a hater
And I know better than to waste it all on you.
Through your cheating, scheming I still believe that,
that I'll find a dude who is better than you. Gone gone gone gone,
Gone gone gone gone
Gone gone gone gone
Go on and be gone. If there were a medal for the biggest sleeze
There wouldn't be any other nominees
Im guessing all your other lies were a blessing in disguise for me. Cause I am a diamond I'm
more than a stone,
And your just a boy on a throne.
I am walking into war
To find the sunlight in the storm
You're just an illusion,
But I've left the show
I'll make sure that everyone knows that
