

Lay Up Under Me

Sean Garrett

[Verse 1:]

I was out shopping, thinking of something I should get you

Cause I been gone so many weeks, Girl I miss you

Don't wanna do nothing more but just to stare in your face

Let you know I'm so happy your my best friend[B-Section:]

Part of this Fortune girl I owe you

For being always here to talk too

Take time out it's starting with today

For my babe[Chorus:]

We're gonna hit the floor & (Slow Dance Naked Babe)

Girl Let the candles be your light tonight (Kiss your favorite place)

Girl I'm a DJ all your song (Rock your body for you)

You ain't gotta (worry bout a club just come & lay up under me tonight)

[Bridge:]

Hey, girl you know just how I do (when I'm on my way)

And you know when it comes to my lady, I bring my Best

I'm a be so horny (tonight)

(Don't worry bout a club just come and lay up under me tonight)[Ad-Libs][Verse 2:]

You been having car trouble, here's your new keys I got you

Remember that's your dream car girl, now your dream is true

Two years together nothing you asked me for

That says a lot about you no doubt about it for you any thing I'll do[B-section][Chorus x2]

[Bridge:]

Hey, girl you know just how I do (when I'm on my way)

And you know when it comes to my lady, I bring my Best

I'm a be so horny (tonight) Relax honey I'll be use to see

This is where I wanna be, just let me look at you

Oh your wearing my favorite thing (just let me taste)

Girl you already know in what way

And if they don't know, how much you meaning to me

Then you might just wanna flash them the ring oh oh oh oh[Ad-Libs][Chorus x2]
