C'mon, C'mon

[One Direction](#)

C'mon c'monThe one that I came with
She had to go
But you look amazing
Standing aloneSo c'mon c'mon
Move a little closer now
C'mon c'mon
It ain't no way of walking out
C'mon c'mon
Show me what you're all aboutYeah, I've been watching you all night
There's something in your eyes
Saying c'mon c'mon and dance with me baby
Yeah, the music is so loud
I wanna be yours now
So c'mon c'mon and dance with me baby
The one that I came with
Didn't know how to move
The way that you let your hair down
I can tell that you doSo c'mon c'mon
Move a little closer now
C'mon c'mon
It ain't no way of walking out
C'mon c'mon
Show me what you're all aboutYeah, I've been watching you all night
There's something in your eyes
Saying c'mon c'mon and dance with me baby
Yeah, the music is so loud
I wanna be yours now
So c'mon c'mon and dance with me baby
Every step I take
I feel it more and more
She's calling out
She's a lucky girl
My heart is racing
She's turing around
I reach for her hand and I sayYeah, I've been watching you all night
There's something in your eyes
Saying c'mon c'mon and dance with me baby
Yeah, the music is so loud
I wanna be yours now
So c'mon c'mon and dance with me babyC'mon c'mon
C'mon c'mon
C'mon c'mon and dance with me baby
