I Want You to Know (feat. Selena Gomez)

Zedd

I want you to know that it's our time
You and me bleed the same light
I want you to know that I'm all yours
You and me run the same courseI'm slippin down a chain reaction
And here I go here I go here I go go
And once again I'm yours in fractions
It takes me down pulls me down pulls me down lowHoney it's raining tonight
But storms always have an eye have an eye
Tell me you're covered tonight
Or tell me lies tell me lies lies
I want you to know that it's our time
You and me bleed the same light
I want you to know that I'm all yours
You and me we're the same force
I want you to know that it's our time
You and me bleed the same light
I want you to know that I'm all yours
You and me run the same courseI want you to know that it's our time
You and me bleed the same lightI'm better under your reflection
But did you know did you know did you know know?
That's anybody else that's met ya
It's all the same all the same all the same glowHoney it's raining tonight
But storms always have an eye have an eye
Tell me you're covered tonight
Or tell me lies tell me lies lies
I want you to know that it's our time
You and me bleed the same light
I want you to know that I'm all yours
You and me we're the same force
I want you to know that it's our time
You and me bleed the same light
I want you to know that I'm all yours
You and me run the same course
You and me run the same course
I want you to know that it's our time
You and me bleed the same light
I want you to know that I'm all yours
You and me run the same course
