> Come on girl, shake that ass for me, shake that ass for me Ohh girl, shake that ass for me, shake that ass for me

Come on girl, shake that ass for me, shake that ass for me I'm a menace, a dentist, an oral hygienistOpen your mouth for about four or five minutes Take a little bit of this fluoride rinse

Swish but don't spit it, swallow and I'll finish

Yeah me and nate d-o double g

Looking for a couple bitches with some double d's

Pop a little champagne and a couple e's

Slip it in her bubbley, we finna finna have a party

Have a party (turn the music up)

Let's get it started (go head shake your butt)I'm lookin' for a girl I can fuck in my hummer truck

Apple bottom jeans and a big ol butt

Some girls they act retarded

Some girls are 'bout it 'bout it

I want a bitch that sit at the crib with no panties on

Knows that she can, but she won't say no

Now look at this lady all in front of me, sexy as can be

Tonight I want a slut, would you be mine?

Heard you was freaky from a friend of mine

Now I'ma hope you don't get mad at me

But I told nate you was a freak

He said he wants a slut, hope you don't mindI told him how you like it from behind

Shake that ass for me, shake that ass for me

Come on girl, shake that ass for me, shake that ass for me

Ohh girl, shake that ass for me, shake that ass for me

Come on girl, shake that ass for me, shake that ass for meWe 'bout to have a party (turn the music up)Let's get it started (go head shake your butt)

I'm lookin' for a girl with a body and a sexy strut

Wanna get it poppin' baby step right up

Some girls they act retarded

Some girls are 'bout it 'bout it

I'm lookin' for a girl that will do whatever the fuck

I say everyday she be givin' it up

There she goes, shaking that ass on the floor

Bumpin' and grindin' that pole

The way she's grindin' that pole

I think I'm losing control

C'mon, I ain't leaving without you, bitch, your comin' home with me And my boy, and his boy, and hid boy and his girl... nate dogg Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
