

Trust You

Rob Thomas

All my friends say
"When you gon' play?"
I'm always too busy
I don't need to stay up late
But I change my mind
when I see your face
'cause I trust you
Now it's on like Revlon
middle of the night
Gimme just a minute, man
I'm higher than a kite
And I can't come down
but I know I'll be all right because
I trust you
Whoo-hoo-hoo-hoo When you say,
"Hey, come on,"
I know I really, really want to
I trust you
When I stay, I know,
I really ought to go but then
I trust you
I trust you
I trust you
When you say "Hey, come on"
I know I will because
I trust you
I trust you
I like to think
that I am reasonable
But I can't tell you
why I'm down on the floor
I check my head, but
I don't know what it's for
I know tomorrow that
I'll trust you some more When you say,
"Hey, come on,"
I know I really, really want to
I trust you
When I stay, I know,
I really ought to go but then
I trust you
I trust you

I trust you
When you say "Hey, come on"
I know I will because
I trust you
I trust you I keep on making bad decisions
'cause I
I keep on drinking what you're giving
'cause I
I keep on making bad decisions
'cause I
I keep on drinking what you're giving
'cause I When you say,
"Hey, come on,"
I know I really, really want to
I trust you
When I stay, I know,
I really ought to go, but then
I trust you
I trust you
I trust you
When you say "Hey, come on"
I know I will because
I trust you
I trust you
I trust you
I trust you
