

# Was I Right Or Wrong

Lynyrd Skynyrd

Like a restless leaf,  
in the autumn breeze, once i was a tumbleweed,  
like a rolling stone cold all alone,  
living for the day my dream would come,  
never cared for school, or any golden rules,  
papa used to all ways say I was a useless fool,  
so I left my home to show him they was wrong,  
and headed out on the road singing my song,  
Then one sunny day, the man he looked my way,  
and everything I dreamed of it was real,  
money, girls and cars, and big long cigars  
and i caught the first plane home so papa could see...  
When I went home to show him they was wrong,  
All that i found was two tombstones,  
somebody tell me please was i right or wrong,  
Woa it's such a sad song  
first i got lost then i got found,  
but the ones that i love were in the ground,  
papa i only wish you could see me now,  
Take a listen papa...  
oooh I learned how to play my guitar,  
gunna be a superstar\*Instrumental\*...play one for mama now\*Instrumental\*(female backups)  
First I got lost, then I got found,  
The ones that I loved were in the ground,  
Won't you tell me please was I right or wrong?  
If there is any way, you can hear what i say,  
papa I never meant to do ya no wrong,  
All the money, girls, and cars, and all the world's big long cigars,  
papa I just want you to know they couldn't take your place...when I went home to show them  
they was wrong,  
all that i found was a two tombstones,  
sombody tell me please was i right or wrong,  
Lord it's such a sad song  
first I got lost,  
then I got found,  
the ones that i loved were in the ground,  
somebody tell me please was i right or wrong,
