

# Coconut Tree (with Willie Nelson)

[Kenny Chesney](#)

Everybody's got a place they go  
When the old battery gets running low.  
I'm a sucker for the sand and sea, yea  
If I had my way, hey I'd always be Way up high in a coconut tree  
Layin' low, just my baby and me  
Sunny sky as far as I can see  
High up in a coconut tree Not to green, not too brown,  
I shimmy up and I shake the good ones down.  
Coconuts, a couple of bucks a piece  
And you can do alright if you ain't afraid to be High in a coconut tree  
Layin' low, just my baby and me  
Sunny sky as far as I can see  
High in a coconut tree  
Yeah, there's less stress and the world's alright  
It's a different point of view  
When you're looking at life Way up high in a coconut tree  
(Layin' low) low, just my baby and me  
Sunny sky as far as I can see  
High up in a coconut High in a coconut tree  
Layin' low, just my baby and me  
Sunny sky as far as I can see  
High in a coconut tree High in a coconut tree  
Layin' low, just my baby and me  
Sunny sky as far as I can see  
High in a coconut tree Layin' low, just my baby and me  
Sunny sky as far as I can see  
High in a coconut tree  
Sunny sky as far as I can see  
High up in a coconut tree  
Up here with Willie  
Sunny sky as far as I can see  
Let's get high in a coconut tree
