

Liar

Edens Edge

I helped you find her diamond ring
You made me try it on and everything
Tomorrow you both say I do
I'll be there 'cause that's what best friends do I should win an Oscar
Best actress in a show
You always see me smilin'
Little do you know I'm lying, I'm a liar
The biggest liar in the world
I'm crying, I'm crying
Like I've never cried before
I know you always heard me say
You'll meet the perfect girl one day
The night you called and told me the news
I said I couldn't be more thrilled for you This might be funny timing
Probably doesn't matter now
I never thought I'd say this
But I just figured out I'm lying, I'm a liar
The biggest liar in the world
I'm crying, I'm crying
Like I've never cried before If I ever tell you
That I've found the perfect man
That he's everything I ever wanted
Just as I had planned
I'm lying, I'm a liar
The biggest liar in the world
I'm crying, I'm crying
Like I've never cried before I helped you find her diamond ring
You made me try it on and everything
