

# I'm Not OK

## H.E.R.

Sick to my stomach  
Four in the morning, I can't sleep  
In and out the city  
I'm worried 'bout where you may be  
Feels like I've been here  
Stressing the things that I can see  
Where do you go? What do you do?  
Without we, without me I'm not OK, I'm not OK  
I'm not OK, no I'm not OK  
I'm not OK, no I'm not OK  
I'm not OK  
Losing my faith, I'm losing my faith  
Slipping away, you're slipping away  
I'm not OK, no I'm not OK  
I'm not OK  
Feel a little guilty, uh  
I feel like it's written all over me  
Tryna find a balance, trusting you, trusting me  
Feel a little heavy  
Holdin' onto something that I don't need  
I've been going through it, yeah  
I've been going through it I'm not OK, I'm not OK  
I'm not OK, no I'm not OK  
I'm not OK, no I'm not OK  
I'm not OK  
Losing my faith, I'm losing my faith  
Slipping away, you're slipping away  
I'm not OK, no I'm not OK  
I'm not OK  
All I want (all I want)  
Take me home  
Hold me close (yeah)  
Please don't let me go  
I don't know, I don't know  
Can you call from wherever you are?  
Swear I feel you  
Hold me tight, hold me tight  
Makes me cry  
She run so far, here we are, here we are I'm not OK, I'm not OK  
I'm not OK, no I'm not OK  
I'm not OK, no I'm not OK  
I'm not OK

Losing my faith, I'm losing my faith  
Slipping away, you're slipping away  
I'm not OK, no I'm not OK  
I'm not OK
