I'm Blessed (feat. T.I.)

Charlie Wilson

Ask me how I'm doing
I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like, oh yes
I'm blessed, yes
I'm blessed, yesWaking up
Thanking God
Every day is feeling just like Sunday
Wifey fly
By my side
Green light, everything is going my way
Riding clean, living dreams
Just left the barber, and I'm feeling like Midas
Heard 'em say
Give 'em praise
For soon the water got you acting like this
Ain't a day go by, that I don't try
To thank the Lord up above
And if you wonder why, I'm loving life
Come close and I'll tell you what's upAsk me how I'm doing
I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like, oh yes
I'm blessed, yes
I'm blessed, yesAsk me how I'm doing
I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like, oh yes
I'm blessed, yes
I'm blessed, yes
Playing cards
Laughing hard
Bar-b-que-in' waking up the whole block
Music loud
Turning loud
Feel the keys, I'm breaking out the bus stop
Life is good
Really good
And every moment, no I can't forget
I got to say
I won't change
Your the reason that I am like thisAnd it ain't a day go by, that I don't try to thank the Lord up

above
And if you wonder why I'm loving life
Come close and I'll tell you what's upAsk me how I'm doing
I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like, oh yes
I'm blessed, yes
I'm blessed, yesAsk me how I'm doing
I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like, oh yes
I'm blessed, yes
I'm blessed, yes
I'm blessedI'm blessed, I'm blessed, I'm blessed
I'm blessed, I'm blessed, I'm blessed
I'm blessed, I'm blessed, I'm blessed
(Oh, oh, oh, I'm blessed)If you've got roof over your head
Bringing home the bread
Got your family fed
Oh, oh, oh, you're blessedSunshine
I'm so free
Livin' out my dreams
God's been good to me
Oh, oh, oh, I'm blessedAsk me how I'm doing
I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like, oh yes
I'm blessed, yes
I'm blessed, yesAsk me how I'm doing
I'm blessed, yes
Living every moment, no regrets
Smile up on my face, I'm like, oh yes
I'm blessed, yes
I'm blessed, yes
I'm blessedI'm blessed, I'm blessed, y'all I'm blessed
I'm blessed, I'm blessed, I'm blessed
I'm blessed, I'm blessed, I'm blessed
Oh, oh, oh I'm blessed
