

# I Will Always Return

**Bryan Adams**

I hear the wind call my name  
The sound that leads me home again  
It sparks up the fire  
A flame that still burns  
To you I will always return I know the road is long but where you are is home  
Wherever you stay  
I'll find the way  
I'll run like the river, I'll follow the sun  
I'll fly like an eagle to where I belong  
I can't stand the distance  
I can't dream alone I can't wait to see you  
Yes I'm on my way home  
Now I know it's true  
My every road leads to you  
And in the hour of darkness  
Your light gets me through  
You run like the river  
You shine like the sun  
You fly like an eagle  
You are the one  
I've seen every sunset  
And with all that I've learned  
Oh, it's to you I will always, always return
