Blue Water (feat. Lady Antebellum) [Remaster]

Stevie Nicks

Blue Water(20 second)Blue Wateri sit and i wait for the morning to come
Blue Water
and i wait for the sound of my gypsy
Blue Wateri sit night and cry
hidden not insite
Blue Water
Blue Water
And i stare at the sea
and the sea smile for me
and the sea is as moving as a lover
i cant give up the night
im in high tide
id like to sail the sea
id like to take you on a slow ride
Blue Wateri sit and i wait
for the morning to come
Blue Water
and i wait for the sound of my gypsy
Blue Wateri sit night and cry
hidden not insite
Blue Water
Blue Water
And i smile at the sea
and the sea smile for me
and the sea is as moving as a lover
i cant give up the night
im in hidetide
id like the sail the sea
id like to take you on a slow ride
i cant give up the night
im in hide tide
id like to be your friend
id like to love you to the end
Blue Water
Blue Waterwell i sit and i wait
for the morning to come
Blue Water
and i wait for the sound of my gypsy
Blue Water
well i sit and i wait
for the morning toooo come**END**
