Sexuality

Billy Bragg

SexualityI've had relations with girls from many nations
I've made passes at women of all classes
And just because you're gay I won't turn you away
If you stick around I'm sure that we can find some common groundChorus:
Sexuality - Strong and warm and wild and free
Sexuality - Your laws do not apply to meA nuclear submarine sinks off the coast of Sweden
Headlines give me headaches when I read them
I had an uncle who once played for Red Star Belgrade
He said some things are really best left unspoken
But I prefer it all to be out in the open
Sexuality - Strong and warm and wild and free
Sexuality - Your laws do not apply to me
Sexuality - Don't threaten me with misery
Sexuality - I demand equalityI'm sure that everybody knows how much my body hates me
It lets me down most every time and makes me rash and hasty
I feel a total jerk before your naked body of workI'm getting weighed down with all this information
Safe sex doesn't mean no sex it just means use your imagination
Stop playing with yourselves in hard currency hotels
I look like Robert De Niro, I drive a Mitsubishi Zero
Sexuality - Strong and warm and wild and free
Sexuality - Your laws do not apply to me
Sexuality - Come eat and drink and sleep with me
Sexuality - We can be what we want to be
