Illegal (feat. Carlos Santana)

Shakira

Who would have thought that you could hurt me
The way you've done itso deliberate so determinedSince you have been gone
I bite my nails for days and hours
and question my own questions on and onTell me now, tell me nowWhy you're so far away
When I'm still so close
You don't even know the meaning of the words I'm sorry
You said you would love me until you die
As far as I know you're still alive
Baby
You don't even know the meaning of the words I'm sorryI'm starting to believe it should be illegal to deceive a woman's heart
I tried so hard to be attentive
To all you wanted, always supportive, always patientWhat did I do wrong?
I'm wondering for days and hours
it's clear, it isn't here where you belong
Anyhow, AnyhowI wish you both all of best
I hope you get alongYou don't even know the meaning of the words I'm sorry
You said you would love me until you die
As far as I know you're still alive
Baby
You don't even know the meaning of the words I'm sorry
I'm starting to believe it should be illegal to deceive the woman's heart
You don't even know the meaning of the words I'm sorry
You said you would love me until you die
As far as I know you're still alive
Baby
You don't even know the meaning of the words I'm sorry
I'm starting to believe it should be illegal to deceive the woman's heart
Open heart, open heart
It should be illegal to deceive a woman's heart
Open heart, open heart
It should be illegal to deceive a woman's heart
