Don't You (Forget About Me)

Simple Minds

(Hey, hey, hey, hey)Won't you come see about me I'll be alone, dancing, you know it, baby Tell me your troubles and doubts Giving me everything inside and outLove's strange, surreal in the dark Think of the tender things that we were working on Slow change may pull us apart When the light gets into your heart, babyDon't you forget about me Don't, don't, don't, don't Don't you forget about meWill you stand above me Look my way, never love me Rain keeps falling Rain keeps falling Down, down, down Will you recognize me Call my name or walk on by Rain keeps falling Rain keeps falling Down, down, down(Hey, hey, hey, hey)Don't you try and pretend It's my feeling we'll win in the end I won't harm you or touch your defences Vanity, insecurityDon't you forget about me I'll be alone dancing, you know it, baby Going to take you apart I'll put us back together at heart, babyDon't you forget about me Don't, don't, don't, don't Don't you forget about me As you walk on by Will you call my name As you walk on by Will you call my name When you walk awayOh, will you walk away Will you walk on by Come on, call my name Will you call my name...I say, la la la When you walk on by And you call my name
