Beauty in the World

Macy Gray

I know you're fed up
Like a lead up for us
All they talk about is
What is going down?What's been messed up for us?
When I look around I see blue skies
I see butterflies for us
Listen to the sound and lose itIt's sweet music and dance with me
There is beauty in the world
So much beauty in the world
Always beauty in the worldSo much beauty in the world
Shake your booty boys and girls for the beauty in the world
Pick your diamond pick your pearl there is beauty in the world
All together now
...
We need more lovin'
We need more money, they say
Change is gonna comeLike the weatherThey say forever
They say
When they're in between
Notice the blue skiesNotice the butterflies
Notice me
Stop and smell the flowers
And lose itIt's sweet music
And dance with me
There is beauty in the world
So much beauty in the world
Always beauty in the world
There is beauty in the world
Shake your booty boys and girls for the beauty in the world
Pick your diamond pick your pearl there is beauty in the worldAll together now
...
Hey... Yeah
Throw your hands up and holla
Hey... YeahThrow your hands up and holla
When you don't know what to do
Don't know if you'll make it through
Remember god is giving you beauty in the world
So love (Beauty in the world)Yeah love (Beauty in the world)
There is beauty in the world (Beauty in the world)
Beauty in the world (Beauty in the world)
Shake your booty boys and girls (Boys and Girls)All the beauty in the world (Beauty in the world)

Pick your diamond pick your pearl (Pick your pearl)
There is beauty in the world (Beauty in the world)
All together now
...
Yeah... love
Yeah... love
Oh... love
All together now
Hey baby when I'm looking at you
I know it's fact is true
There is hope for love
There's beauty in the world
