Here and Now (feat. Kerli)

Cash Cash

Swimming through the world
I wanna get all around
Let's get lost in time
I wanna feel just likeShooting stars
In the stage
Like holding the miles
I don't care
Only life
There's only
There's only
()
Here and now!
I can see it
I can feel it take control
Here and now!
Said I need it
Let the music heal your soul
Oh oh oh, oh oh oh
Oh oh oh, oh oh oh
Here and now!
Said I need it
Let the music heal your soulI can feel it
Feel it
I can feel it take controlHere and now!
Swimming through the world
I wanna get all around
Let's get lost in timeHere and now!
I can see it
I can feel it take control
Here and now!
Said I need it
Let the music heal your soul
Oh oh oh, oh oh oh
Oh oh oh, oh oh oh
Oh oh oh, oh oh oh
Oh oh oh()
Here and now!
I can see it
I can feel it take control
Here and now!
Said I need it
Let the music heal your soul

Oh oh oh, oh oh oh
Oh oh oh, oh oh oh
Here and now!
Said I need it
Let the music heal your soulI can feel it
Feel it
I can feel it take controlHere and now!
