

Mind Made Up (feat. Kylie Auldist)

Cookin' On 3 Burners

I have my mind made up
You always make it up with me
Just when I have enough
You always make it up to me, ooh
I have my mind made up
You always make it up with me, ooh
Just when I have enough
You always make it up to me, you make it up
to me
You make it up to me
You make it up, you make it up
You make it up to me
You make it up, you make it up
You make it up to me
You make it up, you make it up
You make it up to me
You make it up, you make it up
You make it up to me
I have my mind made up
You always make it up with me (make it up,
yeah)
Just when I have enough
You always make it up to me (make it up to
me)
I have my mind made up
You always make it up with me, eh yeah
Just when I have enough
You always make it up to me, you make it up
to me
You make it up, you make it up to me
Just when I have enough
You always make it up to me
You make it up to me
