Wherever You Go (Remix) [feat. Gyptian]

Karl Wolf

I'll be right here waiting for you. (Right here waiting for you.)And Babygirl i wanted to be the one, to me you shine brighter then the sun.
Future was told for you and i, thats why i cant wait for a other day.
dream of paradies, i can see it goes far and wide and one day you will be mine.
Until then i say.Where ever you go, what ever you do.
I will be right here waiting for you.
whatever it takes, or how my heart breaks.
I will be right here waiting for you.
She knows that i work every night and day, to make that paper (paper)
So we can be kings in this life, and life eternally in freedom.
I been in this revolution, and i like go on this hands of time.
And one day you will be my wife.
Until then i say.Where ever you go, what ever you do.
I will be right here waiting for you.
whatever it takes, or how my heart breaks.
I will be right here waiting for you.(Right here waiting for you.)
Run run run run, you always be my one one one one.
And even if you run run run run, i'll be right here waiting for you.
Even if you run run run run, you always be my one one one one.
And even if you run run run run, i'll be right here waiting for you.
Where ever you go, what ever you do.
I will be right here waiting for you.
whatever it takes, or how my heart breaks.
I will be right here waiting for you.
(Right here waiting for you)
