The Goldfish Song

Kina Grannis

I feel defeated again
I'm always losing to myself
I tried to build a better me,
Shack to castle, and it fell downI had the right intentions
Sometimes my hope envelopes me
And I can't learn the lesson
Not to send a goldfish to the seaThis matter is mine
Don't worry I'm fine
This matter is mine.
I'm not going to give it up.I know what you've been thinking
Too soon to empty my cocoon
This butterfly is not ready
Wouldn't she know better than you
This matter is mine
Don't worry I'm fine
This matter is mine
I'm not going to give it up.
