

I Love You

Climax Blues Band

When I was younger man
I hadn't a care
Foolin' around
Hitting the town
Growing my hair You came along
And stole my heart
When you entered my life Ooh, babe, you got what it takes
So I made you my wife Since then I never looked back
It's almost like living a dream
And, ooh, I love you You came along
From far away
And found me here
I was playin' around
Feeling down
Hittin' the beer You picked me up
From off the floor
And gave me a smile You said, you're much too young
Your life ain't begun
let's walk for awhile And as my head was spinnin' 'round
I gazed into your eyes
And thought, ooh, I want you Thank you, babe, for being a friend
And shinin' your light in my life
'Cause, ooh, I need you As my head was comin' round
I gazed into your eyes
And thought, ooh, I want you
Thanks again for being my friend
And straightenin' out my life
'Cause, ooh, I need you Since then I never looked back
It's almost like livin' a dream
Ooh, I got you If ever a man had it all
It would have to be me
And, ooh, I love you
