

# The Moment

## Tame Impala

In the end, it's stronger than I know how to be  
And I can't just spend my whole lifetime wondering  
I fell in love with the sound of my heels on the wooden floor  
I don't want our footsteps to be silent anymore  
Want them to be in the moment  
Storm clouds are closing  
In the end it's coming, there's nothing left to do  
But I'm still not certain just how I'm gonna feel  
I'll only know in the moment  
Anticipation growing  
It's getting closer  
Ooh, it's getting closer  
It's getting closer (I'm not ready)  
Ooh, it's getting closer (I need a little more time)  
It's getting closer (Closer every day)  
(Don't cry, we'll be okay)  
Ooh, it's getting closer (Closer, call of the damned)  
(Hold on, and breathe if you can)  
It's getting closer (Closer, I'm not ready)  
Ooh, it's getting closer (I need a little more time)  
(Breathe if you can)  
It's getting closer (I'm not ready yet)  
Ooh, it's getting closer (I need a little more time)  
It's getting closer  
Ooh, it's getting closer
