

# Set Me Free

## The Dead Daisies

It's too late to say I'm sorry  
I didn't mean to make you cry  
I know you're home and you're all alone  
But it's time for me to fly  
So hold back the tears  
And all your fears  
Don't waste them on me  
'Cause I know in time  
You'll be fine  
Set me free  
Love won't be easy  
If I don't leave  
Set me free  
Woman  
Sometimes we just hold on  
A bit longer than we should  
And we both knew this time would come  
I wouldn't change it if I could, no  
I'm a ramblin man, so understand the past is calling me  
But I know in time, you'll be fine, yeah  
Set me free  
Love won't be easy  
If I don't leave  
Set me free  
Woman  
Woman, let me be, oh  
Yeah, I know in time, you'll be fine  
Yeah, yeah yeah  
Set me free  
Love won't be easy  
If I don't leave  
Set me free  
Love won't be easy  
It's never easy  
Set me free  
Woman, woman
