Mrs. Potato Head

Melanie Martinez

If you weren't born with it
You can buy a couple ornaments
Just be sure to read the warning, kids
Cause pretty soon you'll be bored with it, ha haSexual, hey girl, if you wanna feel sexual
You can always call up a professional
They stick pins in you like a vegetable, ha haKids forever, kids forever
Baby soft skin turns into leather
Don't be dramatic it's only some plastic
No one will love you if you're unattractive
Oh, Mrs. Potato Head, tell me
Is it true that pain is beauty?
Does a new face come with a warranty?
Will a pretty face make it better?
Oh, Mr. Potato Head, tell me
How did you afford her surgery?
Do you swear you'll stay forever
Even if her face don't stay together
(Even if her face don't stay together)If you want a little more confidence
Potatoes turn to french fries, yeah, it's common sense
All you need's a couple more condiments
And a hundred thousand dollars for some compliments, ha haIt's such a waste
When little girls grow into their mother's face
But little girls are learning how to cut and paste
And pucker up their lips until they suffocate, ha ha
Kids forever kids forever
Baby soft skin turns into leather
Don't be dramatic it's only some plastic
No one will love you if you're unattractiveOh, Mrs. Potato Head, tell me
Is it true that pain is beauty?
Does a new face come with a warranty?
Will a pretty face make it better?
Oh, Mr. Potato Head, tell me
How did you afford her surgery?
Do you swear you'll stay forever
Even if her face don't stay togetherStay forever, stay forever
Even if her face don't stay together
Stay forever, stay forever
Even if her face don't stay togetherOh, Mrs. Potato Head, tell me
Is it true that pain is beauty?
Does a new face come with a warranty?
Will a pretty face make it better?
Oh, Mr. Potato Head, tell me

How did you afford her surgery?
Do you swear you'll stay forever
Even if her face don't stay togetherStay forever, stay forever
Even if her face don't stay together
Stay forever, stay forever
Even if her face don't stay together
Stay forever, stay forever
Even if her face don't stay together
Stay forever, stay forever
Even if her face don't stay together
