The Backwards Pumpkin Song

Dance Gavin Dance

Sit down, call off the cavalry
I'm stealing the jewels
In a slow motion action replay
Bar fight, I invented chivalry
Notch in my bed post
Slow motion action replaySit down, call off the cavalry
I'm stealing the jewels
In a slow motion action replay
Bar fight, I invented chivalry
Notch in my bed post
Slow motion action replay
Now the fog is rolling in
Bringing us that much closer to a senseless end
Oh please don't get up
I'll get that for you
It's selfish to say I'll believe when
I believe all these lines and long enough(Don't just lay on the ground, son)
(Don't just drown in the fountain)
And I don't know you
I don't know you(Don't just lay on the ground, son)
(Don't just drown in the fountain)
And I don't know you
I don't know you(You got stuck preaching action)
(I fell down using tact, son)
And I don't know you
I don't know you
(You got stuck preaching action)
(I fell down using tact, son)
And I don't know you
I don't know youBring back this fight tonight
All of these lies that I uphold (Don't mind them they can't elope)
For one good note (Leave them off of the great boat)
Bring back this fight tonight
All of these lies that I uphold (Don't mind them they can't elope)
For one false hope (Leave them off of the great boat)
One false hopeGo on and fix your tie
And just lead the line out
Needless to say I stumble, you play all night longFix your tie and just lead the line out, needless to say
Fix your tie and just lead the line out, needless to say
Fix your tie and just lead the line out, needless to say
Fix your tie and just lead the line out, needless to say

Fix your tie and just lead the line out, needless to say
Fix your tie and just lead the line out, needless to say
Fix your tie and just lead the line out, needless to say
Fix your tie and just lead the line out, needless to sayBring back this fight tonight
All of these lies that I uphold (Don't mind them they can't elope)
For one good note (Leave them off of the great boat)
Bring back this fight tonight
All of these lies that I uphold (Don't mind them they can't elope)
For one false hope (Leave them off of the great boat)Now you'll find, as I rewind, now you'll find it's not the point
Now you'll find, as I rewind, now you'll find it's not the point
Now you'll find, as I rewind, now you'll find it's not the point
Now you'll find, as I rewind, now you'll find it's not the pointOne Love
