More Than Anything

Natalie Grant

I know if you wanted to you could wave your hand
Spare me this heartache and change your plan
And I know when he said you could take my pain away
But even if you don't I prayHelp me want the Healer more than the healing
Help me want the Savior more than the saving
Help me want the Giver more than the giving
Help me want you Jesus more than anythingYou know more than anyone that my flesh is weak
And you know I'd give anything for a remedy
And I'll ask a thousand more times to set me free today
Oh but even if you don't I pray
Help me want the Healer more than the healing
Help me want the Savior more than the saving
Help me want the Giver more than the giving
Oh Help me want you Jesus more than anythingWhen I'm desperate and my hearts overcome
all that I need you've already done
When I'm desperate and my hearts overcome
all that I need you've already doneOh Jesus Help me want you more than anything
Help me want the Healer more than the healing
Help me want the Savior more than the saving
Help me want the Giver more than the giving
Help me want you Jesus more than anything
Help me want you Jesus more than anything
