New For Me

Michael McEachern

Before you I thought I knew what love was all about
But then you came along and I knew I was wrong
'Cause nowIt's like somebody tied balloons to my shoes
Every step is lighter
It's free and it's frightening
As we get higher
Hold on to me and let's see where we go
Let's see where we go
This is new for me I'm not used to falling
So far that I can't control my heartBefore this all that I did just left me with a broken heart
So caught up in the chase thinking love was like a race
And that's when you came andtied balloons to my shoes
Every step is lighter
It's free and it's frightening
As we get higher
Hold on to me and let's see where we go
Let's see where we goThis is new for me I'm not used to falling
So far that I can't control my heart
I never saw it coming
It just hit me like a ray of sun
Through my window in the morning
Now I'm waking up, I'm waking up into love
