Everyday

Orchestral Manoeuvres In the Dark

Everyday
I'm on my knees to pray
Since I kissed you once
And I held you once
Things have never been the sameAnd I've tried
God knows I've tried
But there's nothing left
In the world today
That's making sense in any wayEven now, I'm in love with you
No matter what you put me through
There'll always be someone like you
Who lets me down again
But every time
I've tried to make you mine
It seems there's nothing else
I will ever find
That will make you stay
Make you change your mind
Sad to say
It's the same thing everyday
But there's no one else
In the world today
That will make it change
Take the pain awayEven now, I'm in love with you
No matter what you put me through
There'll always be someone like you
Who lets me down again
And everyday no matter what I do
I'm more and more in love with you
I can't believe it's really true
You wouldn't really go
