A Real Fine Place to Start

Sara Evans

I'm gonna do it darlin'
I could waste time tryin' to figure it out
But I'm jumpin' anyhow
I've never been this far
Didn't know love could run so deep
Didn't know I'd lose this much sleep
Holdin' you close, chasin' that moon
Spendin' all night
Lovin' flyin' in the dark
Shootin' out lights, huntin' down dreams
Figurin' out what love really means
Baby givin' you my heart
Is a real fine place to start
Something is goin' on
I can't explain but sure can touch
It's callin' both of us
Stronger than any fear or doubt
It's changing everything I see
It's changing you, it's changing me
Holdin' you close, chasin' that moon
Spendin' all night
Lovin' just who you are
Sparks flyin' in the dark
Shootin' out lights, runnin' down dreams
Figurin' out what love really means
Baby givin' you my heart
Is a real fine place to start
Right here, right now's the perfect spot, the perfect time
The perfect moment when your skin is next to mine
Holdin' you close, chasin' that moon
Spendin' all night
Lovin' just who you are
Sparks flyin' in the dark
Shootin' out lights, runnin' down dreams
Figurin' out what love really means
Baby givin' you my heart
Is a real fine place to start
Oh, yeah
Oh, oh, oh
