

# You All Over Me (Taylor's Version) (From The Vault) [feat. Maren Morris]

Taylor Swift

Once the last drop of rain, has dried off the pavement  
Shouldn't [?], but I never do  
The way the tires turn stones on old county roads  
You leave it muddy underneath, reminds me of you  
You find graffiti on the walls  
Of old bathroom stalls  
You know, you can scratch it right off, it's how we used to be  
Like the dollar in your pocket, that's been spent and traded in  
You can't change where it's been, reminds me of me I lived, and I learned, had you  
Got burned  
Held out, held on  
God knows, too long, you wasted my time  
Lost tears, swore that I'd get out of here  
No amount of freedom, gets you clean  
I still got you all over me  
Guess the worst day of June  
Was the one that I met you  
With your hands in your pockets  
And your "don't you wish you had me" grin  
I did, so I smile, and I melted like a child  
Now every breath of air I breathe reminds me of back then Well I lived, and I learned, had you  
Got burned  
Held out, held on  
God knows, too long, you wasted my time  
Lost tears, swore that I'd get out of here  
No amount of freedom gets you clean  
I still got you all over me I lived, and I learned, and found out what it was to turn around  
And see that we were never really meant to be  
So I lied, and I tried, and I watched a part of myself die  
No amount of freedom, gets you clean  
I still got you all over me  
I still got you all over me  
Na na na, na na na, Na na na, na na na na na  
Na na na, na na na, na na na, na na na, all over me  
Na na na, na na na, Na na na, na na na  
Na na na, all over you, all over me  
Oh oh oh oh oh yeah, oh oh oh yeah yeah  
Oh oh oh all over me
