Let Me Know

No Wyld

Oh let me knowLet the water flowI could be the oneTime lets you knowIf you dive me deep
I can find the way
I can find the way
Try and get to you
Oh let me know
Don't let me go
I can be the one for you
Don't let me knowOh let me know
Don't let me go
I can be the one for you
Don't let me knowOh let me knowYeah
This calls are now regular
No, I can't get to hold youYou're not thinking upIs it cause of us?
Are you giving up?
Are you giving up?
Hold up
Your tries are done then you move in
But you play my track when you're driving low
To hear my voice when I'm not around
And now you say that you want it all
But if you leave you can take it all
Stick when you leave my life and fall
Into boxes
Only wish I had time not to stop this
If you're changin up
Do you feel I'm giving up
Cause you think I had enough?
Go knowing to knowPut your stuff down
We can roll outNo wasting time now
Let's go!
Oh let me know
When you wanna go
I could be the one
Time lets you knowIf you dive me deep
I can find the way
I can find the way
Try and get to you
Oh let me know
Don't let me go
I can be the one for you
Oh let me know
Yeah

If it takes backpacks in the suitcase
Show I'm ready to go where the road takes us
Trust, that I'll do what I must
I roll up ready to go, no time for more shows
If you're fighting then you're on wrong homes
Path's unknown
But that won't face me
I'm not alone
I can lead you maybe
I wanna know
If we can do this
Don't take this low
Because of you
I know what I'm waiting for
Know what I'm living for
And I can't ignore
Cause I know what I'm fighting for
Hey now
Pick it up, what I say now
Tell me up: what you want to know?
Opened up when this rolled out
Wreck down
Wreck now
I've got something to say now
This will go where you dwell now
Let me know if this'll roll now
Wreck down
