

Fly Away (feat. Anjolie)

[TheFatRat](#)

Come and fly away with me
Come and fly away with me-e-e-e-e
Come and fly away with me
Co-co-come and fly away with me-e-e-e-e-e-e Come and fly away with me
Come and fly away with me-e-e-e-e-e
Come and fly away with me
Co-co-come and fly away with me-e-e-e-e-e-e Don't you be afraid
Everything will change
You and I
Jumping of the edge
They say dreamers never die So, come and fly
Come and fly
Come and fly away with me
We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views Somewhere by the end we'll see
Where the moon and water meet
Somewhere close to harmony
When the world is sound asleep Something's gonna bring a change
Journeys we are meant to take
Something at the edge of space
Calling us to fly away
Don't you be afraid
Everything will change
You and I
Jumping of the edge
They say dreamers never die So, come and fly
Come and fly
Come and fly away with me We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views Come and fly away
Come and
Come and fly away
Come and fly away with me Come and fly away

Come and
Come and fly away
Come and fly away with meSomething's gonna bring a change
Journeys we are meant to take
Something at the edge of space
Calling us to fly away
