Wings of Fantasy

Ray Davies

When I'm far away
In some godforsaken place
That I'm passing through
When my emotions turn to blue
I think of youLiving day to day
Building up the debt
Heavy in excess
Getting in over your head
Vicarious
Wish I could set you free
Over the insanity
Imagining you and me
Flyin' on the Wings of FantasyAh, on the Wings of FantasyLive in denial
Chasin' the dream
Livin' the illusion on
The Wings of Fantasy
And up above a solitary Eagle flies
Symbolizing our forgotten dream
So high in the sky
But down here I just wonder why
Am I part of nature's scheme
Or just a man in a machine
Burning on a turning wheel
