There's Always Someone Cooler Than You

Ben Folds

Smile
Like you've got nothing to prove
No matter what you might do
There's always someone out there cooler than youI know that's hard to believe
But there are people you meet
They're into something that is too big to beExpressed
Through their clothes
And they'll put up with all the poses you'll throw
And you won'tEven know
that they're not sizing you up
They know your mom fucked you up
Or maybe let you watch too much TV
But they'll still look in your eyes
To find the human inside
You know there's always something in there to seeBeneath
The veneer
Not everybody made the list this year
Have a beerMake me feel tiny if it makes you feel tall
But there's always someone cooler than youYeah, you're the shit but you won't be here for long
Oh, there's always someone cooler than you
Yeah, there's always someone cooler than youNow that I've got the disease
In a way I'm relieved
'Cause I don't have to stress about it like you doI might just get up and dance
Or buy some acid-wash pants
When you don't care then you got nothing to lose
And I won't
Hesitate
'Cause every moment life is slipping away
It's okMake me feel tiny if it makes you feel tall
But there's always someone cooler than youYeah, you're the shit but you won't be it for long
Oh, there's always someone cooler than you
Yeah, there's always someone cooler than you
Oh, there's always someone cooler than...Life is wonderful
Life is beautiful
We're all children of
One big universe
So you don't have to be a chumpAnd you know (you know)
That I won't (I won't)
Hesitate (hesitate)
'Cause every moment life is slipping away (away)
It's ok (it's ok)Make me feel tiny if it makes you feel tall
Oh, 'cause there's always someone cooler than youYeah, you're the shit but you won't be it for

long
But there's always someone cooler than you
Oh yeah, there's always someone cooler than you
Because there's always someone cooler than youCooler than you (boy)
Cooler than you (girl)
Cooler than you (sir)
Cooler than you (my lady)Oh
Nerds go wild
Yeah Yeah
