Head Over Feet (2015 Remastered)

Alanis Morissette

I had no choice but to hear you
You stated your case time and again
I thought about itYou treat me like I'm a princess
I'm not used to liking that
You ask how my day wasYou've already won me over in spite of me
Don't be alarmed if I fall head over feet
Don't be surprised if I love you for all that you are
I couldn't help it
It's all your faultYour love is thick and it swallowed me whole
You're so much braver than I gave you credit for
That's not lip service
You've already won me over in spite of me
And don't be alarmed if I fall head over feet
And don't be surprised if I love you for all that you are
I couldn't help it
It's all your faultYou are the bearer of unconditional things
You held your breath and the door for me
Thanks for your patienceYou're the best listener that I've ever met
You're my best friend
Best friend with benefits
What took me so long?I've never felt this healthy before
I've never wanted something rational
I am aware now
I am aware now
You've already won me over in spite of me
Don't be alarmed if I fall head over feet
And don't be surprised if I love you for all that you are
I couldn't help it
It's all your fault
You've already won me over in spite of me
And don't be alarmed if I fall head over feet
And don't be surprised if I love you for all that you are
I couldn't help it
It's all your fault
