Perfect

Sara Evans

If you don't take me to Paris on a lover's getaway, it's alright, it's alright
If I'd rather wear your t-shirt than a sexy negligee, it's alright, It's alright
Every dinner doesn't have to be candlelit
It's kinda nice to know that itDoesn't have to be perfect
Maybe every little piece of the puzzle doesn't always fit perfectly
Love can be rough around the edges, tattered at the seams
Honey, if it's good enough for you, it's good enough for meIf your mother doesn't like the way I treat her baby boy, it's alright, it's alright
If, in every wedding picture, my daddy looks annoyed, it's alright, it's alright
Don't you know that all the fairy tales tell a lie
Real love and real life
Doesn't have to be perfect
Maybe every little piece of the puzzle doesn't always fit perfectly
Love can be rough around the edges, tattered at the seams
Honey, if it's good enough for you, it's good enough for meOh, you don't mind if I show up late for everything
When you lose your cool, it's kinda cute to me
Hey, ain't it nice to know that we
Don't have to be perfect
Maybe every little piece of the puzzle doesn't always fit perfectly
Love can be rough around the edges, tattered at the seams
Honey, if it's good enough for you, it's good enough for meOh, you're good enough for me, uh huh
Yeah, you're good enough for me
Oh, you're good enough for me
